Flat Rate Terms and Conditions

Flat Rate Repair pricing correlates to the repair of a system whose parts and components are deemed repairable by Conquest Imaging. Repairable parts and components exclude, without limitation, the following:

- Problems related to firmware and/or licensed options
- Systems that have physical damage to the PCB (delamination, burned traces, etc.)
- Systems that have been previously been repaired elsewhere
- Unknown failure modes

System	Labor	Parts
GE Logiq e, i	\$150/hr	Market Price
GE Logiq V1/V2	\$150/hr	Market Price
GE Vivid e, i, i2, Q	\$150/hr	Market Price
GE Voluson e, i	\$150/hr	Market Price
GE Vivid iQ	\$150/hr	Market Price
GE Versana Active	\$150/hr	Market Price

Unrepairable

For those instances where MXR Imaging, after performing a full system evaluation, cannot repair the portable system and/or the system issue falls under the exclusions listed above, the customer will be notified. If the portable system can be repaired by purchasing and replacing substantial parts (i.e. board replacement) the customer will be issued a quote. See mxrimaging.com for details.

System	Major Repairs	Minor Repairs
SonoSite 180	\$1,000	\$750
SonoSite 180 PLUS	\$1,000	\$750
SonoSite Titan	\$1,800	\$1,200
SonoSite MicroMaxx	\$2,700	\$1,500
SonoSite M-Turbo (All Types)	\$3,000	\$1,700
SonoSite S-Series (All Types)	\$3,000	\$1,700
SonoSite Edge	\$3,200	\$1,800
SonoSite Edge II	\$3,500	\$2,000
SonoSite S II	\$3,500	\$2,000
Xporte	N/A	N/A
Philips CX30	\$3,900	\$2,000
Philips CX50	\$3,900	\$2,000

Evaluation Fee \$750 If Declined Repair (All Systems)

Minor Repairs

- Minor component replacement on PCBs
- Re-soldering broken solder joints on connectors
- Replacing LCD screens, LCD lid hinges
- Repair/replacing probe connector nest assembly
- Repairing peripherals (Docking Station, Triple Transducer Adapter, etc...)

Major Repairs

- BGA replacement on main PCBA
- BGA replacement on power board PCB
- BGA replacement on keyboard PCB
- Other major component replacement on main PCBA
- Module replacement (Keyboard, Power Board)
- 2 or more Minor Repairs on a system (charged as 1 Major Repair)

Repairable

For those customers who have sent in their portable system for an evaluation and their system is deemed repairable at the Flat Rate Repair price the customer is not charged the evaluation fee of \$750 when the customer proceeds with the repair. See mxrimaging.com for details.
